

Applicant: David Haase, *et al.*  
U.S.S.N.: 10/673,664  
Filing Date: September 29, 2003  
EMC Docket No.: EMC-03-100

**REMARKS**

The Amendment and Response to Office Action filed on August 10, 2006 contained amendments to the claims. However, the Examiner, in issuing the Notice of Non-Compliant Amendment, noted that the status identifier did not provide the proper status of each of the claims. Claim 1 was inadvertently identified as "(Previously presented)" although amendments were made to this claim. The remaining claims were listed correctly and no other errors were found.

Applicant hereby submits a new set of claims correctly identifying Claim 1 as "(Currently amended)". In compliance with 37 CFR 1.121, only the corrected section of the non-compliant amendment filed on August 10, 2006 is filed herewith.

In view of the foregoing Amendment and Response to Office Action filed on August 10, 2006 and this Response to Notice of Non-Compliant Amendment, the applicants' believe that the application is in condition for allowance and respectfully request favorable reconsideration.

Applicant notes that a Terminal Disclaimer was filed with the Amendment and Response to Office Action on August 10, 2006 and is believed to have been entered into the record.

In the event the Examiner deems personal contact desirable in the disposition of this case, the Examiner is invited to call the undersigned attorney at (914)-798-8505.

No fees are believed necessary for filing this response. If, however, any fees are necessary, the Examiner is authorized to charge any fees necessary to EMC Corporation deposit account No. **05-0889**.

Respectfully submitted,

Dated: 11/1/06
